

# *Energetic Well Being™*

As a Webinar participant, we are pleased to share with you LeRoy's two ebooks: ***Knowing and Living Your Purpose***© and ***Awake, Refreshed and Energized***©!

## ***Knowing and Living Your Purpose***©

For years, LeRoy searched for the manual for living with more ease and less struggle, and then decided to write it!

LeRoy recommends you focus on the following six chapters so you can get started immediately with specific techniques that are taught in the book for:

- Increasing Unconditional Love and Forgiving Self and Others (Chapter 3)
- Why and How We Get Symptoms (Chapter 10)
- Remembering Who We Really Are (Chapter 12)
- Getting and Keeping Your Energy Strong Everyday (Chapter 13)
- Getting To and Staying in Neutral (Chapter 14)
- Increasing Self Acceptance (Chapter 19)

## ***Awake, Refreshed and Energized***©

This latest book describes in another way what energy clearing is using EWBP® and gives a description and examples of Expanding Spiritual Awareness. It also lists the Six Key Components of EWB in Chapter 6.

We hope you enjoy reading both of these books and everything they have to offer! When you have finished reading them, we would appreciate you writing a review for either or both books and emailing us at [info@ewbp.com](mailto:info@ewbp.com) so we can post reviews on our website (we'll only show first name and last initial, and your city/state/country). You can keep the following questions in mind when writing your review in paragraph form (but we, of course, would love to hear your own thoughts, too):

- How would you rate the book on a scale of 1 to 5 (with 5 being the highest, like 'five stars')?
- Did you enjoy the book?
- Was it easy to follow?
- What chapters or topics did you find most helpful?
- Did you use any of the clearing protocols included in the book?
- What were your experiences?
- Did you use any of the clearing protocols on anyone else?

Thank you again, and please let us know if you have any questions.

Kind Regards,  
EWB
